

December 2018

As Christmas was approaching, I watched as my kids were filled with anticipation of being able to open their gifts. I believe this is the way the Lord desires us to be when it comes to our future. We often stop expecting good things to happen to us because of our current or past circumstances. Let's start believing with expectation of all that God wants to do in and through us this year. It is with excitement that we look back at God's faithfulness and look forward with joyful anticipation of what God will do in 2019! The vision the Lord has given us this year is, MULTIPLY! I have great expectation in my heart as this theme is already beginning to unfold. My spirit is stirred to believe for double the impact in 2019. We are believing to reach 10,000+ people and bring 1,000+ to salvation in 2019. We are also believing to train and mobilize double the amount of the leaders & laborers through leadership conferences, lifestyle evangelistic training, and other mobilization venues. We believe indigenous people, native to their area, reach their own people the best. We will passionately pour into these leaders and workers that will pour into people in their world! Following this biblical pattern of multiplication from 2 Timothy 2:2, we will empower others to reach the lost and make disciples in the nations!

We currently have plans to mobilize believers and reach the lost in four countries this year (Japan, Cambodia, Cuba, and two trips to the Philippines), as well as the U.S. Early in the year, we will be going to Yokota Air Force Base to pour into friends and believers in Japan. What an incredible opportunity to minister to overseas military that live in a country with only 1-3% that are considered Christians. We will continue our partnership with indigenous leaders, local churches, and leadership networks in the Philippines. Also, the Lord has opened a door for us to help train and mobilize church planters in Cambodia, where only 2-4% are considered Christians. I will be helping mobilize and train church planters at a church planter training school on lifestyle evangelism. These church planters are planting churches in areas where there is no church! Later in the year, we will travel to Cuba where we will help train workers to reach the lost. What we have planned this year will be vital to the advancement of the gospel here and around the world!

If you are not already a part, we would like to invite you to be a part of fulfilling this vision. We know that without partners like you, we would not be able to continue to accomplish what the Lord has for us. Currently, we have friends & family, churches, and businesses partnering with us in two ways: prayer & monetary giving. They are both deeply vital and truly needed. Our impact is growing and we need more partners to join our team. We would like to ask you to prayerfully consider becoming a partner. Simply go online to lifebridgemiissions.org/give or send a check in the envelope enclosed. If you would like to join our prayer team email me at lifebridgemiissions@gmail.com and you will be added to our prayer emails that go out. Thanks for hearing my heart and I look forward to seeing what God will do!

We love you and pray God's richest blessings upon you and your family as we start this new year.
