

January 2019

I just returned from five days in Dalton, GA doing evangelism training at Summit Training Center. We had a fruitful time of teaching, encouraging, and equipping through our LifeReach Training course. The Lord put this training on my heart because many struggle to love and reach people in whom they come in contact with daily. One day we took the students out and helped them put their training into practice. By God's grace, people were encouraged, experienced divine appointments, witnessed physical healings, and saw lives touched by the Holy Spirit. The students testified of how they felt empowered with key tools to simplify their approach in reaching people around them. It was such a blessing to be a part of their discipleship process and to see them activated and ready to reveal Jesus in their world!

I am so excited about our upcoming **Operation Asia Project** that will take us to Japan, Philippines, and Cambodia! I am so excited to let you know Lori will be joining me for the first part of this trip. Our friends and ministry partners in these nations are very excited of our coming. The Lord has been so faithful to reveal to Lori and I that we are suppose to minister together in Japan & The Philippines. Lori will serve as a huge blessing to me and those in whom we will minister. We will go to Japan for a couple of days and minister to our overseas military friends and other believers and then leave for 7 days in the Philippines. There we will minister to indigenous pastors and leaders through a couple of church networks in whom we partner. Lori will leave from the Philippines to return to the US while I travel to Cambodia where I will continue

Would you prayerfully consider partnering with us for this project to touch three nations in Asia with the gospel?

ministry for 8 days. Pastor Rolando our key ministry partner in the Philippines will go with me to Cambodia. The purpose for taking Rolando is to help him progress with his vision to plant churches, make disciples, launch a bible school, and connect him to the network I will be serving. I will be working alongside a missionary friend, Scott Fletcher of R.E.A.C.H. International.

They run module bible schools in 5 different regions in Southeast Asia some of which are closed nations with a passion to reach the unreached. They have asked me to come and do evangelism training. The training will be modified to help reach a Buddhist culture that comprises of 85.1% of the population. What an amazing opportunity that we, the partners of LifeBridge have been given to reach the lost and unreached through this partnership.

This is the biggest opportunity LifeBridge Missions has ever had since our inception in 2017. We are so grateful and blessed for those that give regularly to provide opportunities like this one. I would like to challenge you to prayerfully consider giving extra to further support this project we are calling, "Operation Asia" over the next couple of months. If you haven't given to LifeBridge or it has been a while we would like to invite you to prayerfully consider giving. You will be a part of helping reach the unreached and advancing the gospel in these nations! You can mark your check, "Operation Asia" and 100% will go towards this cause. Thank you for your support in advance.
