

July/August 2019

Bibles for New Converts Here is a picture of new converts with their new bibles that were provided by LifeBridge partners in a village in the Philippines. My friend, Pastor Jerome, is an indigenous pastor and leader in which we supplied the bibles through. He is my interpreter when I minister in the Philippines and is an influential leader in the area. When we traveled to the Philippines for the first time almost 2 1/2 years ago we found Pastor Jerome deeply discouraged. While I was preaching in the Pastor's Conference, God touched him so deep that he began crying while he was translating. It is great to be a part of lifting and encouraging leaders. Encouraging, inspiring, and mobilizing very discouraged Pastors impacts them, their family, congregation, and community. Thanks for partnering with us to make this possible!

Operation Africa 2019 I am so excited about returning to Uganda and going to Kenya for the first time in August and September. The Lord has established some key

relational partnerships for LifeBridge in this region of Africa. I ministered in Uganda two years ago and have stayed connected with my friend there, Pastor Henry Musana. Henry is a Ugandan that speaks several languages, pastors and leads churches, and does ministry throughout East Africa and other countries. God is using him in a mighty way! He has asked me to return to minister in churches and their annual Youth Conference. This is a powerful conference with youth, young adults, and leaders from several countries. We saw great fruit last time we visited, and we are believing for more fruit for the Lord on this mission. The conference attracts the spiritually hungry for six days, and many attendees will sleep at the church.

Uganda is one of the youngest countries by age in the world. 69% of the populations is under the age 24.

The reason for this is the dark and inhumane treatments of the genocides that left thousands dead. This oppression has demoralized Ugandans and you can see the effects on their hearts and minds even though the country is currently in a peaceful state. The burning passion of my heart is to help build these young men and women with a true biblical view of their identity and authority in Christ!

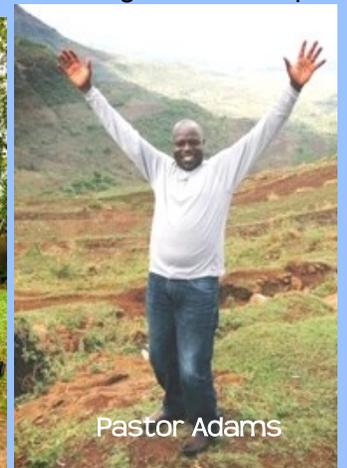

We will encourage and mobilize them and send them back to their villages and countries with a burning passion for Jesus and the lost! We will have the opportunity to encourage and mobilize pastors and church leaders at leadership conferences. We will also be able serve Pastor Adams in Kenya through ministering at leadership

conferences, a healing campaign, churches, and a school. One of the areas we will travel will be to a group of pastors and leaders from different denominations that need reconciliation. These church leaders are reaching unreached tribes that still live in the woods. We will encourage and mobilize them to reach the lost more effectively. I would like to personally ask for your prayers for my family, ministry in Kenya and Uganda, and myself. I really can't do this without your prayers and financial support. It takes team work to make God's dream work. I will be away from my family for nearly 3 weeks during this trip. If you would like to pray for us more specifically, please email us.

If you would like to make a special gift towards this mission simply mark your gift "Operation Africa"
